CFP has a responsibility to Florida, Illinois, Indiana, Iowa, Kentucky, Louisiana, Massachusetts, Michigan, North Carolina, Ohio, South Carolina, and Wisconsin to collect state sales/use taxes when required. Therefore, if you are exempt from sales/use tax, please complete and return the form below so it is clear that you are sales/use tax exempt for the purchase(s) in question. If we do not receive a declaration of exemption specific to your CFP purchase(s), sales/use tax will be added to all future invoices you receive from us. You are responsible for any applicable sales/use taxes that are not collected by CFP. Thank you for your cooperation.

We purchase your products for resale. Please find our attached resale certificate.

We are exempt from sales/use tax because our state has a program that exempts machinery and/or machinery parts from sales/use tax, and the products we purchase from you qualify for that exemption.
